NEIGHBORLY LOVE

As we welcome these long warm summer days, we get to enjoy more hours of daylight. We would ask you to be mindful of your neighbors when you are enjoying the outside, mowing your grass, or entertaining. Please use common courtesy as the noise and sounds carry throughout the neighborhood especially in the early morning or later evening hours.

SLOW DOWN!

Homeowners....PLEASE slow down and pay attention to the posted speed limit in our neighborhood. We have so many people calling in to report vehicles driving at excessive speeds through Melody Ranch. We implore you to please heed the speed limit of **15 mph** and that you remind your teenaged drivers, guests and tenants of the same. There have been owners who have lost pets due to speeding vehicles and while that is a tragedy in and of itself, the kids that are outside are also at risk of being hit by a vehicle traveling too fast for this neighborhood. Please be mindful and use caution when driving your vehicle.

HELP WANTED

If you are interested in helping Melody Ranch and have skills related to building, architecture, or construction you may be the perfect fit for the Landscape Review or Design Review Committees. These groups meet to review the plans of homeowners that want to either build a new home, add on to their existing home or make a change to their exterior and to have any landscaping approved on new construction. If you are interested in lending your expertise, please contact Demerie at GTPM. We appreciate your willingness to help keep Melody Ranch the desirable community that it is.

NO SWIMMING

We would like to remind all homeowners and their guests that the ponds located within Melody Ranch are not to be used for swimming, boating or fishing. Additionally, please be mindful of the wildlife including birds that make these ponds their homes. Be mindful of their habitats when out and around the ponds and with your dogs as well.

DID YOU KNOW?

While we have finally gotten a taste of summer-like weather, there are a few fun facts about this season that you may not know. July, also known as National Ice Cream month, is the most popular month for eating ice cream. Americans will consume an average of 5 ½ gallons of this refreshing treat every year. Vanilla is the most popular flavor with chocolate a distant second. Watermelon is the summer's favorite vegetable; yes I said it is a vegetable, not a fruit as commonly thought (it is part of the squash and cucumber family). This juicy favorite is 92% water and the average US Citizen will eat 15 pounds of watermelon a year. Did you know that the Eiffel Tower in Paris grows by more than six inches in the summer due to the expansion of the iron on hot days? Have you ever wondered how hot it is and not had a thermometer nearby to find out? Considering a cricket's chirp fluctuates with the temperature, if you count a cricket's chirp for 15 seconds and add 37 you will get the approximate outdoor temperature in Fahrenheit. The highpoint of many people's summer is the Fourth of July. What a spectacular day for barbeques, fireworks, outside fun and games all in the name of our country's freedom. While you are out celebrating, please take our best wishes for a safe and enjoyable Independence Day and summer!

Social Media

In addition to the Melody Ranch HOA website, there are two additional options to find out about your neighborhood on the internet. In addition to the NextDoor website which is a private online network available to owners and residents of Melody Ranch, there is also a Facebook page devoted to Melody Ranch:

If you would like any information about accessing either of these outlets, please contact Demerie at Grand Teton Property Management.
