Be Bear Aware

As the leaves on the trees change and fall descends upon the valley, we would like to remind everyone of the importance of being aware of bear conflicts, especially in light of the recent bear sightings throughout the town and county neighborhoods. Please remember that we live in bear country and need to stay bear aware.

Please remember not to put your garbage out the night before pickup and to store garbage and bird feeders properly as per Teton County regulations. The Teton County Land Development Regulation applies specifically to bear conflict priority areas within the county, and officials are encouraging all residents to follow the regulations. Garbage is always required to be stored in certified bear resistant containers or in a secure building or enclosure. All bird feeders are to be hung with a catch pan, at least 10 feet from the ground, deck railing or patio and 4 feet away from any tree, post, or support structure.

Allowing bears to get a food reward conditions them to associate food with people, which may lead to dangerous or destructive behaviors.

Election Season

With election season in full swing, it is difficult not to get caught up in the excitement of your favorite candidates. While we encourage you to participate in your civic duties, Melody Ranch would like to remind you that it is a violation of the HOA covenants to post signs (political or any other) in your yard.

ISD Board Elections

The Melody Ranch Improvement and Service District will be holding elections this fall. There are two positions that are expiring. Please expect to see a ballot arriving for you to vote for your ISD Board of Directors. Please be sure your current mailing address is on file with the Teton County Clerk.

Meet Your Neighbor

Melody Ranch would like to welcome Alina DiDonato and Glenn Pacchiana who just moved into the house at 1096 Melody Creek Lane! They have just relocated to Jackson from New York with their youngest son who is a junior at JHHS. They are "Covid Refugees" excited to take advantage of the lifestyle opportunities presented by the wonderful environment that Jackson has to offer. They are excited to meet all of their new neighbors in Melody Ranch!

Help Wanted

If you are interested in helping Melody Ranch and have skills related to construction, architecture, or landscaping you may be the perfect fit for the Landscape Review or Design Review Committees. These groups meet to review the plans of homeowners that want to either build a new home, add on to their existing home or make a change to their exterior and to have any landscaping approved on new construction. If you are interested in lending your expertise please contact Demerie at GTPM. We appreciate your willingness to help keep Melody Ranch the desirable community that it is.

Covenant Corner

~ Firewood is to be stored behind a fenced enclosure or "out of sight" from the road and neighboring properties view at all times. This is a Tier One Violation, \$25 fine.

~ Front porches are not to be used for storage. Patio/deck furniture is allowed in season however ladders, canoes, firewood, old appliances, etc. are not to be stored on porches. Please note that futons do not fall under the category of patio furniture and should not be placed on porches at any time. Grills are to be placed on back porches, with the exception of a home not having a back porch. This is Tier One Violation, \$25 fine.

RV Storage

Just a quick reminder to those of you with a storage space in the Melody RV lot that there are quite a few homeowners who are still on the waiting list for a spot. If you do not need your space anymore, please notify GTPM so we can pass it to the next family. Also, please keep in mind that the storage area is intended for recreational vehicles and trailers; it is not to be used to store trash, construction equipment, yard gear etc. Please see the storage rules and regulations for a more comprehensive list.

Did You Know?

Autumn marks the transition from summer into winter. It is a beautiful time of year with crisp air, colorful leaves, and a harvest of plentiful vegetables. The days get shorter and leaves begin to fall from the trees. When leaves change color in the fall, they are becoming their true color. In the summer, the chlorophyll (which is how the leaves receive nourishment from the sun) takes over and causes them to turn green and hide their color. Photosynthesis stops in the cooler weather allowing the beautiful vibrant colors to show. October is generally known as a month of haunts, scares and ghouls, and beautiful foliage. Did you also know it is National Chili Month? Most exciting for many, however, is the celebration of Halloween. Although it is uncertain how much trick-or-treating will happen this year, please be especially aware on Saturday, October 31st of all the little superheroes and goblins that may cross your path. If those little costumed bodies live with you, remind them to carry a flashlight and to be aware as they run from house to house. Have a wonderful October!
