No Exterior Fires

There shall be no exterior fires whatsoever except barbecue fires contained within designated receptacles, i.e.: grills. This is a tier four violation, \$300 fine plus applicable legal fees.

RV Storage Update

The waiting list for the RV storage area has grown significantly in the last few years. Per the policy on our website (<http://www.melodyranchhoa.com/wp-content/uploads/2014/08/rvrules2014.pdf>) spaces are only assigned on a first-come first-serve basis. GTPM has carefully administered the waiting list based on the date homeowners apply for a storage space. We currently have 59 homeowners waiting for one of the 98 single spaces available. There are 25 homeowners waiting for one of the 23 double spaces available. As a reminder, people can park trailers, boats, vehicles, or motor homes in this space. Bikes, building supplies, lawn equipment, trash and the like are not permitted to be stored in the storage yard. Please see the storage rules & regulations for all the rules regarding storage. Please contact Charley if you no longer need your space and we can pass it along to the next owner on the list.

School Days

Residents, please be aware that it is time for the kids to head back to school. The first day of school is right around the corner. With that in mind, please be alert, and keep your eyes open in the morning and afternoon as kids head to and from school and the bus stop. Drive slowly – **the speed limit in Melody Ranch is 15 mph.**

If you are dropping your child off at the bus stop, please do not park on the grass or in the open space while you wait. Remember to be patient and courteous during these busy moments of the day. Let's all work together to keep the smallest residents of our neighborhood safe.

Neighborly Love

While Grand Teton Property Management is here for Melody Ranch, please remember that your first course of action when dealing with a problem or concern is to talk to each other. Please remember to communicate with your neighbor if you have an issue with them, their animals, their yards, etc. A polite conversation can go a long way and can usually be solved quickly. If your efforts to talk to one another are not working, please do not hesitate to call Charley at GTPM and she will try to help you resolve your issue. If there is an issue with a pet, animal control will need to be contacted as they are trained to deal with these issues. 733-2331

Help Wanted

If you are interested in helping Melody Ranch and have skills related to construction, architecture, or landscaping you may be the perfect fit for the Landscape Review or Design Review Committees. These groups meet to review the plans of homeowners that want to either build a new home, add on to their existing home or make a change to their exterior and to have any landscaping approved on new construction. If you are interested in lending your expertise please contact Charley at GTPM. We appreciate your willingness to help keep Melody Ranch the desirable community that it is.

Covenant Corner

~ Firewood is to be stored behind a fenced enclosure or "out of sight" from the road and neighboring properties view at all times. This is a Tier One Violation, \$25 fine.

~ Trash receptacles are to be placed at the edge of driveways only on the designated trash day. Once trash has been picked up, these receptacles must be removed from driveways within 24 hours. When not on the street for trash pick-up, all trash receptacles are to be stored in the garage or "out of sight" behind a fence enclosure. All trash must be kept in bins at all times. Bags of trash or other household items being disposed of are never to be left outside bins. Accumulation of garbage and/or building material or of the like constitutes a nuisance, and may be removed by the Association at the owner's expense. This is a Tier One Violation, \$25 fine.

Did You Know?

September was originally the seventh month in the Roman calendar? Its name means seventh but when January and February were added to the calendar it became the 9th month. In the US it is the first month of the autumn season and is normally associated with the beginning of school and football. The **birthstone** for September is the sapphire, which is said to reduce inflammation, treat fever and act as a lucky charm for the person wearing it. The sapphire, present in almost every color (rich blue, pink, yellow, green etc.), symbolizes intuition, clarity of thought, peacefulness, as well as loyalty and trust. It is a beautiful month to get out and enjoy all that Jackson Hole has to offer (in an appropriately socially distant manner, that is). Have a wonderful month!
