Tree Trimming

Thank you to those homeowners that live at intersections and throughout Melody Ranch. Please keep in mind that the first 12-15' of your road front landscaping is in fact part of the road lot and the HOA/ISD may need to use that to improve road safety. If you planted trees or shrubbery along the roadway we have an obligation to make sure they do not overhang the roads or block driver visibility. From time to time, it may be necessary for those to be trimmed back to improve visibility on the roads. If you have been keeping up with this job your efforts are much appreciated. There may be an occasion when it is necessary for our landscaping crew to come in and be more aggressive in pruning. We will contact you if there is a problem and work with you to either perform the needed trimming yourself or have our landscape crew do it.

ISD Water Billing Change

The ISD Budget Hearing was held on June 29, 2022 at 5:30pm. Beginning on July 1, 2022 a new tiered water billing system will be implemented. This new billing will encourage high water users to conserve water while very low water users will have a minimum fee to help keep the system operational. Water fees pay for the operation and maintenance of the system. These fees will not be used for large capital improvements. The new billing is as follows:

BASE FEE: \$5.00 – Billed each month for each home connected to the system

TIER 1: \$2.10 – For every 1000 gallons used up to 60,000 gallons

TIER 2: \$3.00 – For every 1000 gallons used above 60,000 gallons

This past year the water was billed at \$1.70 per 1000 gallons and it has been several years since there has been an increase in use fees to cover the operation and maintenance of the water and sewer systems.

Typically, your water bill will be in Tier 1, unless you use a lot of water for irrigation. Please check your sprinkler system for ways to save water. Smart systems adjust watering based on temperature and rain. As trees and bushes mature, they need less watering than one newly planted. Small leaks add up to a lot of water not applied in the way you intended.

The Melody Ranch ISD is still working to develop a third well on the system.

Did You Know?

Did you know that many cultures call this month the "harvest month" or the time of harvest. Speaking of which, why shouldn't you tell secrets on the farm? Because the corn has ears, the potatoes have eyes and the beanstalks. August was named in honor of Augustus Caesar. It has 31 days because Augustus wanted as many days as Julius Caesar's month of July had. The extra day was taken from February. The month of August is often referred to as the "dog days of summer" but not because of pet pooches. Many people think this phrase stems from the fact that dogs tend to be on the lazy side during these hottest days of summer. However, it has to do with the star Sirius, also known as the dog star, which rose at the same time as sunrise during the month of August in ancient Roman times. It is said that if the first week in August is unusually warm, the coming winter will be snowy and long, and that for every fog in August there will be a snowfall. While I prefer not to speak of the "S-word" in the midst of such a beautiful summer, the hint of autumn's cool mornings are near. Have a wonderful month!
