

**PERMIT TO EXPEL GROUND WATER FROM PRIVATE PROPERTY TO COMMON SPACE**

Date \_\_\_\_\_

Name \_\_\_\_\_

Address \_\_\_\_\_

Phone \_\_\_\_\_

This permit allows \_\_\_\_\_ to extract with a sump pump, ground water from the above residence by way of an enclosed pipe in an excavated ditch from the impacted property to the closest pond or ditch on the Meadows of Melody Ranch common area.

To reclaim the land, the ditch must be filled with dirt and vegetated to look as if the ground had not been disturbed. Any damage to open space irrigation lines must also be repaired. All maintenance to the said pipe must be done by the above owner or the HOA will perform the work at the owner's expense.

60 days are required to complete.

**Required for permitting:**

\_\_\_ Sketch of site and location of pipe from home to pond or ditch

\_\_\_ Materials used

\_\_\_ Length of Pipe

\_\_\_ Deposit of \$200.00

Date of completion \_\_\_\_\_

Deposit received \_\_\_\_\_

Deposit returned \_\_\_\_\_

Signed \_\_\_\_\_

Melody Ranch Homeowners Association
